ELIXIR Series STR 3/4 Oval Standard Residential Combination doors are equivalent to typical doors found in site-built homes. Our Series 3/4 Oval doors are constructed from our thickest gauge of high quality vinyl laminated galvanized steel. Our high quality one-piece wood jamb is complete with lifetime warranty weatherstripping. The 3/4 Oval Door features energy efficient polyurethane insulation, a swivel lock bolt, a swivel deadbolt lock bolt, and a 6-fin vinyl sweep. The storm door with a built-in drip cap has three options: conventional, all glass full-view, and full-view. The storm door is 1-1/8" thick with a 1/8" thick tempered safety glass. The storm door is available in three different colors: mill, white, or bronze. Add beauty to your line with our Series 3/4 Oval Door.

Quality Wood Jamb

Finger Jointed Pine With  
Lifetime Warranty

## ELIXIR Industries

We take pride in our recent listing in the "Top 100 Door Manufacturers" edition of the door and window magazine.

ELIXIR offers a wide variety of entrance door configurations and options in patio doors, french doors, triple doors, single and double sidelite doors and transoms. Select divisions will custom build exterior doors to customer specifications.

Our door cores are produced at an ELIXIR division located in a key area of the country to serve our customers.

Division 34 in Crossville, TN produces a variety of finishes including our popular 10mil vinyl-clad series.
